Dear Tenants:

Aero Real Estate will change the way we do business in light of the Corona virus.

Our Agents will do business remotely as much as possible. The office will be manned but closed to the public effective 20 March 2020.

We will not accept cash as payment effective 20 March 2020, money orders or checks can be put in our drop box in our front door. Please make sure we have an email address or cell phone number so we can receipt your payment.

We should have a Paypal account set up within the next several days to offer an alternative to debit cards. You can also mail your rent to the above address.

We encourage you to use our website AeroRealEstate.net for reporting maintenance when possible. Maintenance will be arranged to protect you and our vendors against contact and exposure.

Please avoid the office if possible, call or email. Like us on Facebook to stay informed of additional changes.

Thank you all for your patience. We will all get through this difficult time together. We appreciate your business. Be mindful and safe.

Very respectfully
